

Northampton Clothing Collection

We are collecting clothes in order to raise funds for a charity called 'Always A chance' set up in memory of James Kouzaris and James Cooper.

Please donate any unwanted shoes, clothes, bedding etc and fill one or possibly a few black sacks and maybe ask friends and family to do the same.

Many thanks for your support - we have so far raised over £3,000!

Email us info@alwaysachance.org.uk for details of where to deliver your donations.

If you would like to set up your own clothing collection – please email us for details.
